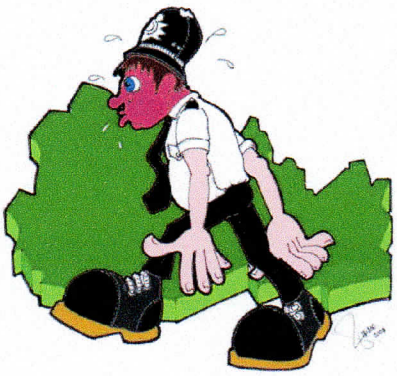
SAMSON CENTRE



The Samson Centre Project is a voluntary initiative of the MS Therapy Group (Guildford).

Our main objective is to establish and maintain a day-centre dedicated to the treatment and support of Multiple Sclerosis in West Surrey; a home where we can provide a readily accessible and cost effective source of conventional and complementary therapies and counselling to help sufferers, their families and carers manage the physical and emotional difficulties that arise following diagnosis, during relapses and the progression of the condition.

Please send sponsorship money to Mrs. F Crowther-Smith, Poplars, Forest Lane, East Horsley, Surrey, KT24 5HU
If paying by cheque, please make your cheque payable to "MSTG (G) Samson Centre".
